

Casman Group of Companies

Company: **Four C's Holdings Ltd.**  
Job Type: **Non-union**  
Date Posted: **22 June 2009**

**The Casman Group of Companies** is a dynamic, growing operation providing industrial, commercial, and residential construction, HVAC and plumbing services and millwork products to the Fort McMurray market. Due to our growth we are looking for the following position:

## HSE Advisor

Reporting to the Health Safety & Environment Manager of **Casman Group of Companies**, the HSE Advisor has the primary on-site role of preventing workplace accidents. Specific accountabilities will include the following:

- Work with Project Managers and sub-contractors to increase Safety Awareness and improve safety practices.
- Perform constant daily surveillance for compliance with HS & E regulations on job sites, including weekends.
- Lead and participate in weekly safety meetings on site.
- Perform New Employee Safety and Quality Management orientations.
- Assist in investigation and reporting of incidents and complaints.
- Be available whenever practical for all emergency situations.

## Qualifications & Skills

The position will appeal to someone with the following:

- Commitment to safety leadership and excellence
- Ability to work independently and exercise professional judgment
- Sound knowledge of the concepts and principles of health, safety and environment
- Strong report writing skills
- Minimum NCSO (National Construction Safety Officer) required.

## Casman's compensation includes:

- competitive base salaries
- annual service bonuses
- two to four weeks of annual vacation
- employee education assistance
- comprehensive benefits: health, dental, vision, life and disability insurance

**NOTE: Relocation Assistance will not be provided for this position regardless of qualifications**

Resumes can be e-mailed to [resume@casman.net](mailto:resume@casman.net) or faxed to (780) 791-0991.

**Please quote the position for which you are applying.**
